## The Linda Lavin Theatre Research Award Disbursement Guide

What to expect if you are selected as the recipient of the Linda Lavin Theatre Research Award:

The Linda Lavin Theatre Research Award is frequently awarded for summer research projects. Should you receive this scholarship for summer research, and you **will not** be enrolled in William & Mary summer courses, you will be paid directly through Accounts Payable.

If you apply for research support during any semester (including summer) in which you **will** be enrolled in William & Mary courses, your award will be disbursed by the Financial Aid Office and may be affected by your William & Mary financial aid for that term. You should consult with your financial aid counselor to determine whether other aid would be affected.

I have read the disbursement guide for the Linda Lavin Theatre Research Award
