Intercollegiate Athletics Program
Notes to Statement of Revenue and Expenses
June 30, 2023

Note 1: Basis of Presentation

The accompanying Statement of Revenues and Expenses (Statement) (Attachment A) has been prepared on the accrual basis of accounting. The purpose of the Statement is to present a summary of revenues and expenses of the Intercollegiate Athletics Programs (Athletics) of The College of William & Mary (Institution) for the year ended June 30, 2023. The Statement includes both Athletics' revenues and expenses under the direct accounting control of the Institution's Athletics and those on behalf of the Institution's Athletics by outside organizations not under the Institution's control. Because the Statement presents only a selected portion of the Institution's activities, it is not intended to, and does not present the financial position, changes in financial position, or cash flows for the year ended June 30, 2023. Revenues and expenses directly identifiable with each category of sport are presented and reported accordingly. Revenues and expenses not directly identifiable to a specific sport are reported under the category "Non-Program Specific." During the year ended June 30, 2023, Athletics used \$706,149 from the Athletics reserve from previous years' surplus.

Note 2: Contributions

The William & Mary Athletic Educational Foundation (WMAEF), Incorporated, also referred to as the Tribe Club, raises funds and collects contributions for the benefit of Athletics. The Institution received \$6,525,647 from the WMAEF during the year ended June 30, 2023.

The Institution received \$3,979,324 through the William & Mary Foundation (Foundation) for capital improvements to Kaplan Arena, Millie West Tennis Facility and Busch Field Team Facility. Capital contributions are not reported in the Statement.

Note 3: Endowment and Investment Income

The Foundation is authorized to receive and administer gifts and bequests of all kinds. The Foundation makes such resources available to the Institution, which may be drawn as needed by the Institution within the Foundation's budgetary restrictions. The Institution received \$5,271,545 of endowment and investment income from the Foundation for the benefit of the Athletics for the year ended June 30, 2023.

Note 4: Capital Assets

Capital assets are recorded at historical cost at the date of acquisition or acquisition value at the date of donation in the case of gifts. Construction expenses for capital assets and improvements are capitalized when expended. The Institution's capitalization policy on equipment includes all items with an estimated useful life of two years or more. The Institution capitalizes all equipment with a unit price greater than or equal to \$5,000.

Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets as follows:

Buildings	40–50 years
Improvements other than buildings	10–50 years
Infrastructure	10–50 years
Equipment	2–30 years
Library books	10 years
Intangible assets – computer software	3–20 years

A summary of the capital asset ending balances net of accumulated depreciation for the year ended June 30, 2023 is as follows:

Attachment B

Our procedures and findings are described as follows:

Internal Controls

1. We obtained an understanding of The College of William & Mary's (Institution) internal control structure and those controls unique to the Intercollegiate Athletics Program (Athletics).

Affiliated and Outside Organizations

1. Athletics' management identified all related affiliated and outside organizations and provided us with copies of audited financial statements for each such organization for the reporting period. We noted that the William & Mary Athletic Foundation (Foundation) financial statements were not yet available.
2. Athletics' management prepared and provided to us a summary of revenues and expenses for or on behalf of Athletics by affiliated and outside organizations included in the Statement of Revenues and Expenses (Statement) (Attachment A).
3. Through discussions with Athletics' management, we were not made aware of any internal control matters that would impact the Statement, as identified during the audits of affiliated and outside organizations performed by independent public accountants.

Statement of Revenue and Expenses

1. We will obtain the Statement for the year ended June 30, 2023, as prepared by management. We will compare the revenue and expense amounts reported on the Statement to the supporting schedules prepared by management of the Institution for relevant revenue and expense categories which are greater than 4.0% of total operating revenues and operating expenses.

Results and Findings: No matters are reportable.

2. We will compare a sample of operating revenue receipts and operating expenses obtained from the above Statement to adequate supporting schedules.

Results and Findings: See procedures #4–#66.

3. We will compare each major revenue and expense category over 10% of the total revenues or expenses in the Statement to prior year amounts and current year budgeted amounts. We will obtain and document an understanding of any significant variances greater than 10% from prior year amounts or current year budget estimates.

Results and Findings:

Current year actual versus prior year actual:

- Contributions increased \$1,654,593 or 34% in the current year, due to Tribe Club contributions being higher in the current year.

The College of William & Mary Intercollegiate Athletics Program

Agreed-Upon Procedures

June 30, 2023

- Support staff/administrative salaries, benefits and bonuses paid by the Institution and related entities increased \$837,796 or 17.8% in the current year, due to increases in salary bases for new hires.

Current year actual versus current year budget:

- Contributions were greater than budget by \$1,025,647 due to actual contributions being higher than originally budgeted.
- Athletics-restricted endowment and investments income was greater than budget by \$1,201,950 due to increased funding from the Foundation.

Ticket Sales

4. For football and men's basketball ticket revenue, we will compare the detail of tickets sold, complimentary tickets provided, and unsold tickets to the related revenue reported by the Institution in the Statement and the related attendance figures and recalculate totals.

Results and Findings: Statement line item was less than 4% of total revenues; therefore, no procedures were performed.

Student Fees

5. We will compare and agree student fees reported by the Institution in the Statement to student enrollments and recalculate totals.

Results and Findings: No matters are reportable.

6. We will obtain and document an understanding of the Institution's methodology for allocating student fees to Athletics and inquire of the Institution's management as to whether there were any significant changes from prior year.

Results and Findings: Consistent with prior years, the Institution's management noted that the athletic portion of general student fees is reflected in the Statement as non-program specific, while facility fees to pay for debt service on specific sports' facilities are reflected in those sports' columns, based on the sport's usage of the facility.

7. If Athletics is reporting that an allocation of student fees should be countable as generated revenue, we will recalculate the totals of Athletics' methodology for supporting that they are able to count each sport. We will agree the calculation to supporting documents, such as seat manifests, ticket sales reports, and student fee totals.

Results and Findings: No matters are reportable.

Athletic Student Aid

32. Only tuition, fees, room, board and course-related books were counted for grants-in-aid revenue distribution per Bylaw 20.02.10.
